

Tuition Contract Terms

IMPORTANT: Joining an All Star team means committing to a full year of classes and agreeing to pay a whole years' tuition to Evolve All Star Cheer Pty Ltd (hereafter "Evolve").

Please read the following terms carefully.

Registration form

A registration form must be completed by all participants prior to commencement of their first class. Registration is paid prior to commencing classes. Athletes who commence part-way through the season will be required to pay tuition from the time they join to the year ending 31 December 2024. The fees in the fortnight of joining will be pro-rata.

Payment plans

Payment plans require fortnightly tuition payments. Please note that class tuition is a contract formed upon submission of the enrolment and tuition form. The contract start date is the date of signature by the customer on that form. The contract expires once the full agreed amount is paid. As part of our class tuition contract we have a 20 day cooling off period from the start date of the contract for customers to choose to cancel their tuition contract without consequences. Upon expiry of the cooling off period customers have a legal obligation to fulfil their contract and pay all agreed costs in full.

Missed or late payments

Your timely payment helps to support the running of the club. Two missed fortnightly tuition payments will require your athlete to sit out until payment is made. Coaches reserve the right to sit out or replace an athlete if missed payments are reoccurring without reasonable communication. If you anticipate a late payment please communicate with us ahead of the missed payment.

Suspension of payments

In the event of severe illness or serious injury, payments may be suspended for athletes who are unable to attend training for 3 weeks or more. Please contact us to discuss the eligibility of and to arrange a suspension of payment. A medical certificate may be required which outlines the reason for non-attendance and expected duration of non-attendance. Ultimately suspension of payments will be granted at the discretion of the Evolve directors.

Cancellation

Should you wish to remove your athlete from their team, 8 weeks written notice must be provided to Evolve and all fees payable up until that time are non-refundable. Further, fees payable in relation to registration, competition entry, travel and uniforms are non-refundable under any circumstance, including injury, illness or dismissal from a team.
